PLEASE READ CAREFULLY

Attention Vendor: You have activated your guarantee and DK Locating understands the need to relocate your items as quickly as possible, and we will do our best to complete our obligations in a timely manner, however; we will need some time for verification of the activations and to coordinate scheduling. Allow 1-3 weeks for completion. We apologize for any inconvenience. Any activated item must be removed from its original location, never to be placed at that location, and is subject to eligibility verification according to *terms and conditions of the guarantee. DK Locating does not guarantee the amount of sales or income of any location.

Location placement refusals will be prioritized.

This is a legal document attesting to the truth by the signatory or responder. Purposely misrepresenting any required information demanded by this document constitutes an attempt to defraud DK Locating and voids all of our contractual agreements.
